

Evening General/ER Radiologist 2 p -11 p

ABOUT THE POSITION

Radia is hiring an Evening general/emergency radiologist to work in our imaging centers. Candidates should be comfortable reading a broad range of radiographic studies to include trauma X-ray, trauma CT, Body CT, Body MR, Nuclear Medicine and US including first trimester OB and Vascular. On-site responsibilities include supervision of technologists at the imaging center, including CT and MR contrast exams.

Schedule is a 2 pm – 11 pm shift during the week and 3 pm – 12 pm on weekends, 26 7-day weeks/year, coordinated with the radiologist working the other 26 weeks. Your schedule is controlled by you and your dyad partner.

Radia offers a competitive compensation package including up to a \$25K signing bonus.

If you are interested in this position, please submit your CV to jobs@radiax.com

ABOUT RADIA

One of the most important decisions any physician makes is the practice they join.

Radia PS is a 100% physician owned and managed practice, dedicated to the care of patients.

Compensation

- First year guaranteed compensation is \$384,700 with 26 weeks off.
- First year compensation with maximum performance pay is \$422,888 with 26 weeks off.
- 2018 Shareholder compensation for this position at 26 weeks off is \$459,280.
- Additional income potential with additional shifts.
- Profit sharing, malpractice, health insurance, and generous CME are offered.

A major difference between Radia and many practices, we have consciously chosen to keep partner buy-in low compared with other practices, we want to retain good physicians.

In addition to proprietary workflow software and related technology, we have implemented machine learning in our environment. Radia is one of the very few practices in the country with the scale, technology and ownership structure to implement machine learning in a way that benefits patients and radiologists, not investors.
