

## General Imager – Olympia, WA

### ABOUT THE POSITION

Radia is hiring a board certified/board eligible Partnership Track General Imager to join our Olympia based practice.

Candidates should be comfortable reading a broad range of plain radiographic studies including trauma, CT, MR, Oncologic imaging, US including first trimester OB and Vascular. Breast imaging and breast procedural skills are optional. Procedural skills include GI fluoroscopy. Experience in or willingness to learn minor needle procedures such as joint and spine injections, lumbar puncture, myelography, paracentesis, thoracentesis, and thyroid biopsy, preferred

This shareholder track position will be a combination of day and evening shifts (share evening and weekend) rotations.

Radia offers a competitive compensation package including up to a \$25K signing bonus.

If interested, please submit your CV to [Jobs@Radiax.com](mailto:Jobs@Radiax.com)

### ABOUT RADIA

One of the most important decisions any physician makes is the practice they join.

Radia PS is a 100% physician owned and managed practice, dedicated to the care of patients. Radia has been ranked #1 in private practice group size by the Radiology Business 2018 and 2019 Group Practice Surveys.

<https://www.radiologybusiness.com/topics/healthcare-economics/2019-group-practice-survey-exemplary-80>

Physicians will be reviewed by the Board of Directors for partnership recommendation to the shareholders 12- 24 months from joining, based on experience.

#### Compensation for this Position:

- First year guaranteed compensation is \$392,000.
- First year salary with maximum incentive compensation is \$432,000.
- Shareholder compensation is \$468,000.
- You can increase your income by working additional shifts, as mutually agreeable.
- Profit sharing, malpractice, health insurance, and generous CME.

Radia has consciously chosen to keep partner buy-in low compared with other practices, we want to retain good physicians.

In addition to proprietary workflow software and related technology, we have implemented machine learning for 100% of studies in our environment. Radia is one of the very few practices in the country with the scale, technology and ownership structure to implement machine learning in a way that benefits patients and radiologists, not investors.

### ABOUT THE WASHINGTON STATE AND THE SOUTH PUGET SOUND AREA

Washington offers many amenities, whether in the metro areas or small towns. For the city-dweller, universities, professional sports teams, Broadway performances, art galleries and museums will keep you busy. An amazing number of year-round outdoor recreational opportunities just a short drive away from any region served by Radia. In the Puget Sound, you can live on the water or in an evergreen forest. You can be at the Washington coast or in the Cascade Mountains on a day trip. Fishing, boating, kayaking, skiing, biking, golfing, hiking, and mountaineering are all world class, and just out your back door. Diagnostic Imaging has named Washington state as the 2019 second best state to be a

Radiologist, <https://www.diagnosticsimaging.com/di-executive/top-10-best-states-be-radiologist-2019>.

Olympia is Washington's capitol city providing outdoor enthusiasts with limitless adventures. Although it has the feel of an eclectic Pacific NW small town, the South Sound region has amenities of a much bigger city offering a vibrant cultural scene. It is the cradle of the "Seattle Sound," the home of a nationally recognized liberal arts state university as well as a highly regarded Catholic university and is the host of numerous community festivals. The South Sound Region, to include Olympia and Tacoma, provides easy access to theater, opera, and excellent restaurants.

Olympia is located within 2-3 hours of three national parks - Olympic, Mount Rainier, and North Cascades - for day or weekend trips. Just an easy trek down the highway from two of the best large cities in America--Seattle and Portland, Olympia is ideally situated to take advantage of all that those cities offer, but with a much more affordable cost of living. If you are looking for an even more cosmopolitan get-away, beautiful Vancouver, British Columbia is just three hours away.

Olympia also has very highly rated schools, one of the lowest unemployment rates in the country, and many healthy neighborhoods in which to raise a family.
