

Body/General Imager 26 weeks/year– Vancouver/Greater Portland Area, Washington

ABOUT THE POSITION

Radia seeks a Body/General Imager to work evenings in the Vancouver/Greater Portland Area of WA. Candidates need to be comfortable reading a broad range of exams including plain films, body CT and MR, and ultrasound including obstetric and vascular studies, as well as minor needle procedures.

This is a Shareholder Track position working 26 7-day weeks/year on a 1-10pm hospital-based shift. Additional daytime shifts are available to work if desired.

Radia offers a competitive compensation package including up to a \$25K signing bonus.

If you are interested in this position, please submit your CV to jobs@radiax.com

ABOUT RADIA

One of the most important decisions any physician makes is the practice they join.

Radia PS is a 100% physician owned and managed practice, dedicated to the care of patients.

We are seeking physicians to join Radia in our partnership track.

Physicians will be reviewed by the Board of Directors for partnership recommendation to the shareholders 12- 24 months from joining, based on experience.

Shift Compensation

- First year guaranteed salary is \$375,500
- First year salary with maximum incentive pay is \$412,000
- Shareholder compensation for this position is \$447,320
- Additional income can be generated by picking up additional shifts
- Profit sharing, malpractice, health insurance, and generous CME are offered

A major difference between Radia and many practices, we have consciously chosen to keep partner buy-in low compared with other practices, we want to retain good physicians.

In addition to proprietary workflow software and related technology, we have implemented machine learning in our environment.

Radia is one of the very few practices in the country with the scale, technology and ownership structure to implement machine learning in a way that benefits patients and radiologists, not investors.
