Patient Information

Please arrive 15 minutes before your exam and bring this form. We request 24-hr notice for cancellations. Patients with other special needs (claustrophobia, inability to lie still, wheelchair bound, etc.), should call in advance of appointment.

Additional information for our MRI patients

Please notify the MRI facility for further instructions if:

- You are pregnant, could be pregnant, or are breastfeeding
- You have an aneurysm clip in the brain
- You have a pacemaker, internal cardiac defibrillator, vascular stent or valve.
- You have a history of metal in the eyes
- You have a cochlear (inner ear) implant

Please check with your doctor for any medication directions

CONTRAINDICATIONS include but are not limited to, the presence of cardiac pacemakers, ferromagnetic intracranial aneurysm clips, neurostimulators, cochlear implants, and certain other ferromagnetic foreign bodies in critical locations.

About Radia Imaging Centers

Radia Imaging Centers are comprehensive state-of-the-art diagnostic imaging centers; part of the largest private radiology practice in the Pacific Northwest. They are full-service, outpatient centers offering patients convenient scheduling, easy access, free parking and a comfortable environment, as well as the advanced technology required for accurate evaluations and diagnoses. Our dedicated, experienced staff treats every patient with respect and dignity. For physicians, we provide fast, efficient results reporting, electronic hospital interface for retrieving patient history and images, and access to more than 80 board-certified radiologists.

Evergreen Radia-Kirkland,

11521 NE 128th St. Ste. 200, Kirkland, WA 98034

From I-405 Heading SOUTH: Take the 124th Street exit (#20) off I-405. At the end of the exit, turn right onto 124th Street. Turn right at the next light, onto 116th Ave. NE. Turn left at the light onto NE 128th Street. The Evergreen Radia Imaging Center will be on your left.

From I-405 Heading NORTH: Take the 124th Street/Totem Lake Boulevard exit (#20B) off I-405. Stay to left for NE 124th Street. At the end of the exit, turn left onto 124th Street. Avoid the far right lane, which becomes a turn-only back onto I-405. Turn right at the light onto 116th Ave. NE, and then turn left at the light onto NE 128th Street. The Evergreen Radia Imaging Center will be on your left.

The Imaging Center is located in a brick building at the corner of 116th Ave. NE and NE 128th St. The center is on the 2nd floor in Suite 200.
