

# General/Body Imager – Per Diem

## [Specific to each position]

Are you interested in experiencing life in the Pacific Northwest? Part time/per diem radiologists are sought for temporary placement in our practice.

Candidates need to be comfortable reading a broad range of plain radiographic studies to include trauma, trauma CT, Body CT and US. First trimester OB and Vascular preferred. Preferred procedural skills need to include GI fluoroscopy and joint injections. Mammography to include tomosynthesis would be a strong consideration.

This position will be predominantly day rotations however, some variable shifts are included. Shifts are 9 hours and shifts times are 7-4, 8-5, 9-6 and 9:30-6:30

Note: This is not a remote position. Candidate must physically be located in Washington State.

## [General Job requirements]

Radia is looking for candidates who possess the following essential characteristics: exceptional technical competence, productivity and a desire to work for the good of the practice. Respect across the entire spectrum of individuals with whom we interact is a must.

## [About us]

Radia is one of the largest and most progressive radiology groups in the nation. Our team of more than 160 board-certified radiologists, with specialty training in everything from Mammography to Neuroradiology and Musculoskeletal to Interventional, provide more than 30 hospital and specialty clinic partners throughout the Northwest with on-site radiology coverage and interpretations.
