

Breast Imager – Seattle, WA

ABOUT THE POSITION

We are seeking a board certified or eligible radiologist with fellowship training in breast imaging to join our team. The candidate should be experienced in all modalities of breast imaging and intervention, including tomosynthesis and MRI.

This is a partner track position. Limited participation in general diagnostic shifts and call required.

Submit CVs to jobs@radiax.com

ABOUT RADIA

One of the most important decisions any physician makes is the practice they join.

Radia PS is a 100% physician owned and managed practice, dedicated to the care of patients. Radia was recently ranked #1 in the Radiology Business Top 100.

We are seeking physicians to join Radia in our partnership track.

Physicians will be reviewed by the Board of Directors for partnership recommendation to the shareholders 12- 24 months from joining, based on experience.

Shift Compensation:

- First year guaranteed salary \$392,900 with 10 weeks off
- First year salary with maximum incentive pay is \$432,000
- Shareholder compensation for this for this position is \$470,000
- Additional income can be generated by picking up additional shifts
- Profit sharing, malpractice, health insurance, and generous CME are offered

A major difference between Radia and many practices, we have consciously chosen to keep partner buy-in low compared with other practices, we want to retain good physicians.

In addition to proprietary workflow software and related technology, we have implemented machine learning in our environment.

Radia is one of the very few practices in the country with the scale, technology and ownership structure to implement machine learning in a way that benefits patients and radiologists, not investors.
