Evergreen Radia Imaging Center is a state-of-the-art medical imaging center in Kirkland, owned and operated by Evergreen Healthcare and Radia. We offer CT, MRI, PET/CT, SimPlant, Ultrasound and image-guided pain management at this facility, open Monday through Friday, 6 a.m. to 6 p.m., with earlier appointments available as appropriate.

From I-405 heading NORTH: Take Exit #20B (NE 124th St/Totem Lake Blvd). Move to the left lane and turn left onto Totem Lake Blvd. Go up the hill and turn left onto NE 128th St. Cross the overpass. Cross 116th Ave. NE, and turn left into the parking lot.

From I-405 heading SOUTH: Take Exit #20 (NE 124th Street) and turn right onto NE 124th Street. At the stoplight, turn right onto 116th Avenue NE. At the NE 128th Street stoplight turn left, then another left into the parking lot.

The Imaging Center is located in a brick building at the corner of 116th Ave. NE and NE 128th St. The center is on the 2nd floor in Suite 200.
